Address:

59 Lakeview Dr., Sandhills, Whispering Pines

Price:

13900.00 \$

This is a two year old 18' Sweetwater Pontoon boat equipped with a 48V Ray electric motor. Just plug it in and go. Minimal service requirements and a single full charge runs for over an hour. Great for electric only lakes and fishing. No trailer but boat can be picked up at the Thagard lake park. I might be able to arrange local delivery
